SHOPPING AT LAKESIDE

Changes to bus 565 from 18 May 1991

Bus 565 is changing from Saturday 18 May; buses will no longer run beyond Romford to Chadwell Heath and Barkingside. The through service between Romford and West Thurrock Lakeside will run on the timetable shown below.

At Wennington buses will be altered to run via Purfleet Garrison Estate and Purfleet Station to Lakeside. Bus 565 will no longer serve Aveley.

There are bargain return fares on bus 565 which makes shopping trips even better value for money. Between common places tickets may also be used on our service 348 which runs from Romford to Lakeside via Cranham and North Ockendon.
